**Subject:** Pharmacy lic.

Good Afternoon,

We received the notice about not having our pharmacy Lic. on Friday 12-9-16  
I am attaching the cover sheet and supporting documents showing we applied for the Pharmacy Lic. In July 2016. In Sept. 9-16-16 we received a deficiency notice which we overnight ed back on 9-19-16 As of yet we have not heard back from them. I have called several times and have faxed them a note asking for an update we have not received any response. Ms Tenison and I are both trying to get an answer as to why we have not received a response.

If there is anyone that you know we can contact please let us know. At this time we are calling and faxing to the numbers listed on the application.
